

February 24, 2017

To Our Amazing Community Supporters:

The Miracle Foundation in conjunction with Dance Austin Studio will host **The Art of Miracles event on Sunday, April 9, 2017 from 6-9 PM**. The Art of Miracles is the fruition of merging art and altruism. The purpose of the event is to use various art forms to celebrate the love and interconnectedness that bounds us all. All proceeds from the event will directly benefit The Miracle Foundation. During this fundraising event, we will entertain approximately 250 guests at the North Door live music venue in downtown Austin, TX. This is a unique event that will showcase some of the top artists in the area including, musicians, painters, dancers, spoken word poets and other amazing talent!

The Miracle Foundation brings life-changing care to the world's orphans. Every child deserves a loving family. That's why the Miracle Foundation explores every avenue to reunite children with a parent or relative, if possible, and puts programs in place to facilitate adoptions. However, for the 8 million orphans who have nowhere else to go, we ensure that existing orphanages raise to international standards. Together with our supporters, we transform local orphanages into homes, provide clean water and quality healthcare, and fund scholarships for education. Our goal is not only to break the cycle of poverty, but to have each orphan become a healthy, happy, income-producing person—and experience a true sense of belonging.

While we already have a lineup of phenomenal performances and a stunning venue, this event cannot take place without your support! **We invite you to become a part of this special event by donating your goods or services to the silent auction, or by providing a monetary donation.** Not only will your item(s) will be displayed to all of our guests, your business will be marketed during our evening program and on our social media channels prior to the event. Funds received from the silent auction are donated to the Miracle Foundation. Donations are also tax deductible.

Thank you very much for your consideration of our donation request. We are grateful for any assistance that you can provide. Please feel free to contact me directly with any questions.

Sincerely,

Jennell Lewis
